Dear John,

I wish to thank you for the opportunity that you and your crew provided me to speak about AIDS and syphilis in Toronto.9 I greatly appreciated not only the chance, but the gracious hospitality and friendship I received.

You all put in a lot of work and effort into the project and -- certainly -- it showed. Again, thank you.

Of course, if there is anything further I can help with, please do not hesitate to call upon me.

Sincerely yours,

Steven Caiazza
